Tom: “Next time you’re in a mood, call me up and cancel the date. I’m here to make you smile and laugh. I can’t do that if you’re in a mood, so let’s call the date off and we’ll go out when you’re feeling better.

Tom will wait for her to call.

51. Caprice sends Tom a text thanking him for the fun date.

(If Caprice is the girlfriend) Tom: “What did you have in mind?”

(If Caprice is not the girlfriend) Tom: “I’m busy Tuesday. Why, what are you up to?”

Note: Caprice is asking Tom what he is doing on Tuesday. If Caprice had asked Tom out directly, Tom would have accepted the date. Incoming trumps everything.

53. Caprice pulls out her wallet to pay for the date.

Tom: "It's Ok, I've got it."

Caprice: "No, no you don't have to."

Tom: "I asked you out, I pay. If you want to pay, you have to ask me out."

"I can't wait for you to see me again"

Caprice: "Hi Tom. I'm in the middle of something, can you call me back?"

Tom: "Do you have a minute?"

Tom: "Tell me, what values in particular are you referring to?"

59. Caprice texts Tom after they broke up.

60. Just before accepting to be the boyfriend, Tom says:

Caprice: "Yes."

Tom: "Congratulations, you've got a new boyfriend."

61. Tom has accepted to become Caprice's new boyfriend.

Tom: "You know, I had to get rid of three girls because of you?"

Caprice: "Oh really?"

Tom: "Yeah, you beat them all!"

62. Tom has thought about being the boyfriend for a week. Caprice has no exes in the background. Just before he agrees, Tom says:

Caprice: "Great!"

Tom: "If you're a good girl, you might get another one."

Tom: "Everything that goes on between her ears."

66. Caprice asks Tom what he finds physically attractive in her.

Tom: "You hold yourself with elegance and class."

67. Caprice wants to talk to Tom about her problems.

Tom: "Ok, you've got 5 minutes."

68. Caprice asks Tom to text her when he gets home.

Tom: "If I get abducted by aliens, I'll even call you."

69. Caprice is mad and raises her voice.

Tom: "Can you whisper, please? I love it when you're mad and you whisper."

70. Caprice asks Tom to hold her purse.

Tom: "I'm a Kleptomaniac, you don't want me holding your purse."

Caprice: "Please just 5 seconds"

Tom: "You need a butler."

71. Caprice says something confusing to Tom.

Caprice: "I'm getting too attached to you. I don't like it."

Tom: "Could you put that in simpler terms, please. What don't you like exactly?"

72. Caprice wonders why Tom doesn't talk much about himself.

Tom: "Because humility is a virtue."

73. Caprice asks Tom to do something without saying PLEASE.

Tom: "Ask me nicely."

"There should be a 'please' in there somewhere."

74. Caprice opens up about her romantic past.

Caprice: "I've only been out with 3 guys."

Tom: "Hey, that's more than me! I've never been out with a guy before..."

75. Tom holds the car door open for Caprice.

Caprice: "That doesn't happen very often."

Tom: "That's because I'm the first gentleman you've ever been out with."

76. Tom gives his arm to Caprice to cross the road.

Caprice: "What? You think I can't cross the road by myself?"

Tom: "Ever heard of chivalry?"

77. Tom meets Caprice online. She wants to chat some more before going out on a date.

Tom: "Look it, you won't see my body language or hear the tone of my voice over direct messaging. It's to your benefit that meet. That way, it will be easier for me to explain myself if you have a question. Let's sit down for 45 minutes and have a light, fun time."

78. Caprice wants to hear from Tom more often.

Tom: " You will hear from me more...on our next date."

79. Caprice tells Tom that she feels she's known him a long time.

Tom: "Can you imagine how well you'll know me after three more dates?"

80. Caprice asks Tom how he's been.

Tom: "I've been great! Did you miss me?"

81. Caprice is frustrated by the 5-9-day rule.

Caprice: "I thought you weren't going to call me!"

Tom: "Well, I would have called you sooner, but the divorce papers didn't come through."

Alternatively_

Caprice: "Why didn't you call sooner?"

Tom: "Honey, tell me something; is your phone broken?"

Caprice: "No"

Tom: "Ok well I want you to know that you're allowed to call me yourself"

82. Caprice is not receptive to Tom's jokes.

Caprice: "Hey, I don't think you're funny!"

Tom: "That's good. Better to find out now, rather than in the divorce court with 3.4 kids"

83. Caprice asks Tom out. But she has a boyfriend...

Tom: "Great idea! We'll go out to celebrate the break up!"

Caprice: "Huh?"

Tom: "Call me as soon as you get rid of your boyfriend."

Caprice: "No."

Tom: "Great. Next Question."

86. Caprice wants to go on a trip with Tom before the 6-month mark.

Tom: "I think it's a good idea. But only after we get to know each other a little more."

Caprice: "What are you talking about? I told you I loved you!"

Tom: "I just don't want to go too fast."

87. Caprice wants to move in with Tom before marriage.

Tom: "I don't believe in living together out of wedlock, honey. By the way, did you know that the divorce rate for couples who move in together before marriage is higher than for those who don't?"

88. Caprice asks Tom what he did last weekend

Tom: "I was thinking about you. That's all I did for 3 days...but then I woke up."

89. Tom asked Caprice out. Caprice has accepted the date and Tom wants to pick her up at her home.

Tom: "I'll come and pick you up at your place. What's your address?"

Caprice: "Why do you want my address?"

Tom: "Picking you up is the gentlemanly thing to do when a man is taking a lady out. Is there a reason I shouldn't pick you up?"

"Because there's 3 million people in San Diego and I don't want to go knocking on doors. I'd be late for the date trying to find your house."

90. At the end of a first date, Tom wants to escort Caprice safely back to her home.

Tom: "I'll walk you back to your front door Caprice."

Caprice: "Oh no, you don't have to. I know the way."

Tom: "I insist. It's dark outside and I want to make sure you get home ok."

91. Caprice wonders why Tom is different from all the other guys.

Caprice: "Tom, what's wrong? Did I say anything to rub you the wrong way? You seemed distant."

Tom: "You mean I didn't beg for your affections like the other guys you rejected?"

92. Caprice talks about her exes on the first date.

Tom: "What were the things that they did to turn you off?"

93. Caprice and Tom are out on a date. Caprice sees a beautiful woman walking down the street.

Caprice: "Tom, what do you think about her?"

Tom: "She's almost as pretty as you."

94. Tom is waiting for Caprice at a restaurant, but she is late. She sends Tom a text informing him of her delay.

Tom: "Thanks for letting me know Caprice. In the future, I'd appreciate it if you would tell me in advance, and not when I'm already waiting for you."

95. Tom asked Caprice out for dinner.

Caprice: "Why do you want to go to this place?"

Tom: "Because I know that you will like it."

96. Caprice is confused.

Caprice: "You're hard for me to read. I don't know where I stand."

Tom: "I like you and you like me, and we've had four great dates. Is that easier to read?"

97. Caprice wonders if Tom likes her.

Caprice: "I don't know if you like me or not."

Tom: "I wouldn't be with a girl I don't like, so relax."

98. Caprice opens up about her faults.

Caprice: "I'm stubborn,"

Tom: "Are you going to be stubborn with me?"

99. Caprice tells Tom she wants to 'go steady' and be his girlfriend.

Tom: "Why would you want that? You know there's a lot of nice guys out there."

Caprice: "Well we've going out for a while and everything..."

Tom: "How many dates have we had...three?"

Caprice: "Three?? We went out 11 times!"

100. Caprice asks Tom "are we friends or more than friends?"

Tom: "what would you prefer?"

Whatever her answer is, Tom will mimic it (only her IL counts).

101. Important for shorter guys; Caprice asks Tom:

Caprice: "I hope you don't mind me wearing high heels? It won't make you feel uncomfortable will it?"

Tom: "Of course not honey! I think you look amazing in those shoes! In fact, from now on you should only wear high heels. The higher the better."

The Key is to **show her you're not insecure** about your height! By asking her to not wear high heels, you are labelling yourself as an insecure man.

102. Caprice says:

Caprice: "You're challenging"

Tom: "Are you calling me a challenge?"

Caprice: "Yes"

Tom: "Do you like me being a challenge?"

103. Tom meets Caprice for the first time.

Tom: "Hi, what's your name?"

Caprice: "My name is caprice."

Tom: "Nice to meet you Caprice"

Silence.

Caprice: "Aren't you gonna say something?"

Tom: "Aren't you gonna ask me my name?"

104. Caprice goes in for the hug. Tom doesn't hug her back as the System advises.

Caprice: "Why aren't you hugging me?"

Tom: "I'm saving it for my grandma."

105. Caprice doesn't show up for a date on grounds of having received no confirmation of the date (In spite of the fact that she did not actually ask for a confirmation).

Tom: "I apologise for not being a mind reader."

106. Caprice asks what Tom did for Valentines Day.

Tom: "I had a light, fun time."

Caprice: "Ok, but what did you do though?"

Tom: "Take a guess."

107. Caprice asks Tom:

Caprice: "How did you get that scar?"

Tom: "I played a double in a samurai movie and forgot to bring my sword to work."

108. Caprice's online profile mentions that she is really 'not shy at all' – Tom uses that phrase to make a funny opening line.

Tom: "I saw on your profile that you're not shy. I've been going out with all these shy women, and I'd really like to take you out for that reason."

109. Tom asks Caprice for Sunday, but Caprice wants to see Tom sooner.

Tom: "One date at a time, honey."

Caprice: "But it's too long, I want to see you more!"

Tom: "Slow down, girl. It's Ok, relax. I'm not seeing anybody else; you have nothing to worry about YET."

110. Caprice tries to make Tom the boyfriend too soon, say after just 3 dates.

Tom: "I think it's better if we go out a little more first."

111. Tom and Caprice are looking at some old pictures and find photographs of Caprice's ex-boyfriend.

Tom: "When are we going to burn those?"

112. Tom meets Caprice online and asks her out:

Caprice: "I can't make it then, and I'm busy this week. Give me a call and we'll chat it over."

Tom: "Tell you what, rather than chat it over, what day and time would be good to meet you at Starbucks?"

If Caprice says something like 'I don't know', she's stalling for time – Tom will throw the number away.

113. Caprice and Tom are having a conversation.

Caprice: "Are you serious?"

Tom: “No, I’m Tom. Are you serious?”

114. Caprice and Tom are talking about the future.

Caprice: “I hope we’ll be able to go to that concert, if we’re still together by then.”

Tom: “Keep being a good girl, and I guarantee you’ll still be around”

115. Online dating – Caprice says: “I need to make sure you’re not a serial killer”.

Tom: “I promise to be a gentleman, and I’ll prove it to you when we get together.”
